N A R R T I V E	On 081708 at about 0101hrs, I was on routine patrol in the area of Hwy 36 and Quail Run Ml. Rd. I observed a vehicle traveling north bound on Quail Run Ml. Rd. at a high rate of speed. The road was wet, and muddy and the driver was swearing as he drove. The vehicle then attempted to stop at a clearly posted and visible stop sign at Hwy 36 and Quail Run Ml Rd. The vehicle failed to stop, sailed through the stop sign and onto Hwy 36. The driver then accelerated through the intersection and turned west bound on Hwy 36. I activated my patrol unit lights and siren, and stopped the vehicle just west of the intersection of Hwy 36 and Quail Run Ml Rd in front of the Watkins Fire Station.											
	The vehicle was bearing Colorado License # listing to a 2004 Toyota Pick-up gold in color to Douglas Anderson, which was the vehicle I stopped and the person I later contacted. I contacted the driver and sole occupant who identified himself by Colorado Driver's License as (O) Douglas Edward Anderson (). I asked Douglas for his vehicle information and driver's license, Douglas provided his license but passed over the registration twice. Douglas was unable to locate his insurance and provided me the insurance to another vehicle. While I spoke to Douglas I noticed a strong odor of an alcoholic beverage emitting from the vehicle and from Douglas's breath.											

Incident / Investigation Report

Adams County Sheriff's Office

OCA: 11CN08012346

Officer's Narrative (continued)

I asked him if he had consumed any alcoholic beverages tonight and he said "yes, a couple". Douglas also then stated to me he was a police officer. I returned to my patrol unit where I cleared Douglas via NCIC/CCIC and he was clear. I requested a cover car to respond to my location for roadsides.

At about 0119hrs, Deputy Conter arrived. We responded back to the vehicle and re-contacted Douglas Anderson. I asked Douglas if he would be willing to participate in voluntary roadside maneuvers, to which he replied "Im alright". I asked again if he would participate and he said yes. I asked Douglas to step from his vehicle and accompany me to the front of his vehicle. As Douglas exited, he staggered and utilized his vehicle to maintain his balance. At the front of his vehicle, I asked Douglas if he was sick, injured or had any physical impairments which would prevent him from completing the maneuvers , and he told me "NO". I explained then demonstrated the maneuvers to Douglas and he failed to complete the maneuvers satisfactory for the following reasons. During the HGN, Douglas had nystagmus both onset prior to 45 degrees and at maximum deviation, he was unsteady and did not follow my instruction to not move his head only his eyes. During the one leg stand, Douglas chose his right foot and began the maneuver before instructed to. Douglas then completed 3 seconds and stopped, putting his foot down. Douglas was re-instructed how to do the maneuver and he attempted it again and stopped before the maneuver was completed. During the walk and turn, Douglas could not stand stationary while I instructed the maneuver to him. After Douglas began the maneuver, he did not count each step he took as I instructed him to do. Douglas took 11 steps up the line, spun the turn around, and took 15 steps back down the line missing 11 heel to toe steps and stepping off the line several times. Douglas did not complete this maneuver as he was instructed to.

At 0129hrs, I took Douglas Anderson into custody for further investigation of driving under the influence of alcohol. I explained the Colorado Express Consent Law to Douglas and he chose a test of his blood. I then asked Douglas what he wanted to do with his vehicle and he said to secure his vehicle at the scene. I inventoried the vehicle incident to arrest and nothing of value was located.

I then secured the vehicle in a parking space at the Bennett fire station.

At about 0137hrs, I transported Douglas Anderson to the Strasburg Substation and Deputy Conter also responded with me. While enroute to the substation I notified Sgt. Dixon of the arrest on Douglas Anderson because he was a police officer. I arrived at the Strasburg Substation with Deputy Conter at 0150hrs. I had ADCOM send medical for a blood draw. At about 0210, Strasburg paramedics arrived, and at 0218 two blood vials we obtained from Douglas. The blood vials were sealed in the kit and transferred to the west substation for processing, and the results of the test are pending.

After speaking with SGT. Dixon he contacted Douglas Anderson's supervisor and provided the circumstances to his supervisor. I then transported Douglas to the Washington House DETOX Center where I released Douglas on a summons # S62865 for DUI, DUI Per Se, Careless Driving, Disregarding a Stop Sign to DETOX for his safety and welfare. No further information.
